

# DARPAN ADHIKARI

## PROFILE

I am a web developer with three years of experience in frontend and backend technologies. I have successfully completed multiple full-stack and frontend projects, demonstrating my ability to create responsive and user-friendly applications. Proficient in HTML, CSS, JavaScript, React, and Laravel, I am dedicated to continuous learning and staying updated with the latest industry trends. My expertise includes seamless searching, live chat and comment features, robust on-page SEO, and progressive web applications. I am ready to contribute my skills to modern web and app development projects.
